Letter No. C. 4076/35-36 dy 10.6.36 from the Revl. Comr. representing that an additional sum of Rs 600/- may be placed at his disposal for supplying iron safes to the toll-gates ordered to be worked departmentally.

A sum of Rs 1,200/- has already been placed at his disposal for purchasing 12 iron safes @ Rs. 80/- each and freight charges vide letter No. P. 6028/Rev. 45-35 dy 10.3.36.

The Revl. Comr. now says that he has selected a type of safe manufactured by M/s Mysore Metal Industries, at a cost of Rs 45/- each and in order to supply this kind of safe to each of the 36 toll gates (including 20 toll-gates recently offered) including freight charges @ Rs 5/- per safe he requires an extra grant of Rs. 660/- in addition to Rs 1,200/- already sanctioned.

The necessity for providing iron safes to all toll gates is accepted (vide para 114 of the Note in main file) and the necessary allotment has therefore to be sanctioned. Submitted for orders.

In accordance with the Revenue Commissioner's circular dated 4th January 1936, Iron safes have to be supplied to such of the Toll gates as are situated at some distance from Taluk Head-quarters. The present proposal appears to be to supply Iron safes to all the Toll gates. In order to minimise expenditure, the supply of Iron safes only to the former toll gates may be arranged for for the present. When a security of Rs 100 is required to be taken from the Mutsaddis, it is not desirable to permit them to retain more than Rs 100 at any time, and the limit of Rs 200 prescribed in para 5 of the Revenue Commissioner's circular has to be reduced to Rs 100/-

The question was considered once before and it was decided that supply of safes to all gates is necessary. Even if the toll gate is situated at or near to Taluk head quarters collections have to be secured during nights, holidays or on other occasions when the Mutsaddi is on duty. This is a necessary recurring Contingent

The outlay on this is considerably reduced as the RC is now buying safes for Rs 50 against the official sanction of Rs 100.

Safes for all gates may be sanctioned as recommended by RC.

In the case of Toll gates situated at or very near Taluk Headquarters, the collections will be remitted to the Treasury every day (vide para 3 of the R.C.'s circular) and x the cash on hand at the close of the day will be small and there appears to be therefore no need to supply Iron safes for them. It appears sufficient if a strong box is supplied in such cases.

Toll-gates - Iron Safes - supply.

SIR,

In continuation of my letter No.C.2173/35-36 dated 10th June 1936 regarding the supply of Iron Safes, to the several Toll-gates managed departmentally, I have the honour to state that as already stated by me I have inspected the safe and placed orders with Messrs. Metal Industries for the supply of the safes at Rs.45/- each to the 38 departmental Toll-gates in anticipation of the sanction of Government. Since my last letter Krishnarajendra Bridge and Vani Vilas Bridge have come under Government management and sanction of Government may be accorded for the purchase of safes for these Gates also.
